WE INVESTIGATE THE INVESTIGATORS

Appointed to investigate waste of public money, a legis-
 lative committee has submitted its final report. Upon this
 report we made comment.

It occurred to us that it might be a good idea to see
 what this committee did with the money it was given to
 spend.

The Legislature gave the committee \$1500—for what,
 we do not know. The members of the committee were legis-
 lators and should have had personal knowledge of how the
 state's money is spent unnecessarily. Even if the com-
 mittee members did not know, they could obtain plenty of
 information right in the State House. And if they did not
 know, why were they appointed?

But let that pass. They got \$1500; not much, but
 something.

Fancy our, shall we say, amusement, when we discov-
 ered that the committee expended the \$1500 and then got
 another \$1000 from the Governor and council, of which
 \$695.85 remains unexpended.

Chairman Wragg put in a bill for ten cents a mile for
 the use of his own automobile between his home and the
 State House. The bill was cut to six cents a mile. Mem-
 bers Wragg and Lyons used their cars on a trip to Spring-
 field and put in and got twelve cents a mile, each car
 way, or a total of \$57.60 for two cars on the round trip.
 We assume that they may have carried four members in
 each car. In any event, they consumed on this trip \$5.75
 worth of cigars. One member, travelling to 17 meetings
 by subway from Massachusetts avenue to Park street,
 charged up \$1.70 cents transportation, and having come
 in town, charged up \$12.75 worth of meals.

Small stuff, yes, but a pretty picture of economizers
 economizing.—The Boston Traveler.

THE RAILROADS AND TAXES

No small contributor to the present plight of the rail-
 roads is their tax bill. It has grown constantly, during
 long years of small and declining earnings, until now it is
 an intolerable burden on the lines and increases the price
 of all commodities which are shipped by rail.

Between 1900 and 1913 railroad taxes increased 150 per
 cent—from \$48,000,000 to \$122,000,000. This was largely
 offset by increased earnings. In 1913 taxes represented
 3.8 per cent of gross revenues and 15.1 per cent of the net.
 Between 1913 and 1931 taxes took another 150 per cent
 jump, and in the latter year aggregated \$307,000,000—7.3
 per cent of the gross and 57.8 per cent of the net.

In the first six months of the current year taxes ac-
 counted for 9 per cent of the gross, and government received
 32 per cent more railroad money than the lines had to
 spend for meeting interest charges.

A business which has to pay sixty or more per cent of
 its net in taxes offers little attraction to the investor. It
 is an industry which cannot find the funds necessary for
 expansion and improvement. It is an industry which must
 cut its payroll to the bone, not willingly but because it
 simply hasn't got the money. When this occurs, in an in-
 dustry of such great importance as the railroads, every
 citizen feels the unfortunate result.

There is much talk of a new transportation policy now-
 adays in which a changed tax policy must be a major factor.
 Every industry feels the weight of excessive taxation,
 everyone realizes the need for rigid government economy—
 and the railroads are in one of the worst positions of all.

Miss Ruth Elder Made Leader Of Girl Scout Troop

With the New Year, Troop 4,
 which has been unable to open
 to date because of lack of a
 leader, will get under way with
 Miss Ruth Elder as captain. Miss
 Elder came up through the ranks
 of Scouting herself, and has as-
 sisted as a leader in Troops 3
 and 5. Acting as her lieutenant,
 will be Miss Eleanor Arnold,
 president of the Scout Club at
 Tufts college. Under such lead-
 ership Troop 4 will soon make
 up its lost time and continue to
 rank as a fully registered troop.

Get-Together
 On Dec. 21st, just before the
 Christmas holidays, Troops 3, 4,
 5, 11, and 12 held an informal
 get-together at Girl Scout head-
 quarters. Formal opening was
 followed by inter-troop games
 and the dramatizing of a
 Christmas charade in each troop.
 Troop 5 presented the best troop-
 let when they acted out the
 Biblical story, "The Lord loveth
 a cheerful giver." A circle was
 then formed around a model
 campfire and singing was led by
 Barbara Kendall of Troop 3—
 first camp songs, then the tradi-
 tional Christmas carols. Helen
 Kelleher of Troop 6 told the
 story "Why the Chimes Rang",
 and Merit Badges were then
 awarded by Mrs. Charles Gott,
 the Commissioner. The get-to-
 together concluded with the good-
 night circle and Taps, played on
 the bugle by Margaret Silvestri.
 Members of the Folk Dancing
 class, under the direction of Miss
 Sylvia W. Gates, executed two of
 their Finnish folk dances for the
 group. With Miss Margaret Sil-
 vestri acting as pianist.

Badges awarded were as fol-
 lows: Troop 6—Lois Allen, Pion-
 eer; Mary Guldo, Pioneer;
 Craftsman, Schuman, Hostess;
 Helen Kelleher, Hostess; Betty
 Taylor, Health Winner, Child
 Nurse, Pioneer; Alice Cartwright,
 First Aid; Margaret Silvestri,
 Canner; Marjorie Allen, Canner;
 Helen Kelleher, Insect Finder,
 Photographer, Minstrel; Phyllis
 Nelson, Bird Finder; Norma
 Bonney, Pioneer; Elinor Bonney,
 Pioneer, Minstrel; Amy Wild.

**Daddy Sunshine
Club Rules**

1. Be kind and helpful to others.
2. Look both ways when crossing streets.
3. Always be kind to dumb animals.
4. Write a letter to Daddy Sunshine, or have Mother or Dad write it for you, every now and then.
5. Try to bring a "Ray" of Sunshine into the lives of your parents and others every day of the week and every week of the year.

These rules are not very difficult for good girls and boys to keep. Most of them are kept by them anyway.

Mail your letters and stories to Daddy Sunshine, in care of this paper. He will answer them in the Daddy Sunshine Column.

Write on but one side of the paper, and place your age and address on the letter after your name. Give the day, month and year of your birth.

To join the club all you have to do is promise to keep the rules—and keep them.

Thanks children for your let-
 ter. Daddy Sunshine was pleased
 to hear from you again and to
 learn that you enjoyed your
 Christmas holidays. Hope the
 New Year will bring you many
 blessings.

 to her home by illness.

Sends Jokes

Dear Daddy Sunshine:
 My brother and I read your
 column every night in the Mer-
 cury and find it very interesting.
 I have written a letter for my
 brother and we both hope to win
 a ticket for the Medford theatre.
 We go every Saturday to see
 "Mal and his Pals" at 1 o'clock
 and enjoy it very much. Here is
 a joke.

John: "Daddy! Will you please
 buy me a bicycle for Xmas?"
 Father: "Oh John! bicycles are
 too expensive this year."

John: "Well, buy me a tri-
 cycle then."
 Father: "They are too expensive
 too, but wait until it snows and
 then you can have an icicle for
 nothing."

As Ever,

Mary Gumberton,
 6 Hadley Place
 Medford, Mass.

Happy to hear from you Mary.
 The jokes are good. Jokes are al-
 ways welcome in the column. Do
 you know any more, or have you
 any tongue twisters or conun-
 drums to offer. Would like to
 hear from you again soon, and if
 you have an opportunity some
 afternoon drop in and see Daddy
 Sunshine. Bring this letter and
 answer with you.

Want to Join

Dear Daddy Sunshine:
 We would like to belong to
 your club. Will you please tell us
 how to belong? Will you please
 give us a plan? We are nine years
 old. Our names are Joseph
 Cervone and Joseph Solberg. We
 are in the fourth grade. We are
 in the Washington School.

Your Pals
 Joseph Cervone
 and Joseph Solberg
 24 Vine Street, Medford.

Daddy Sunshine is happy to
 admit you both into the club. At
 present he is all out of pins but
 will let you know, through the
 column, when he gets some.
 Hope you will find time to write
 again soon. Read the rules of
 the club and try to observe them.
 They are easy to keep.

Had Happy Christmas

Dear Daddy Sunshine:
 We are going to solve the
 puzzle that Margaret Chaney sent
 in I hope you had a nice Christ-
 mas. We had a lovely time and
 received a lot of nice gifts. I
 wish Christmas would come more
 often. We went to three different
 Christmas parties and Santa
 Claus was at them all. We went
 to the show Saturday. Our holi-
 days are ended. Back to school
 now.

SHUBERT THEATRE

Paul Muni, celebrated motion
 picture and stage star, will make
 his first personal appearance in
 a legitimate play since his rise
 in pictures. In "Counselor-at-
 Law," the sensational success by
 Elmer Rice, which will open at
 the Shubert Theatre, Boston, for
 a limited engagement of three
 weeks only, beginning Monday
 evening, January 9th after more
 than a year's run in New York.
 "Counselor-at-Law" will intro-
 duce Elmer Rice, known as a fa-
 mous American playwright,
 whose "Street Scene" won the
 Pulitzer Prize, as an independ-
 ent producer. The play has been
 such a tremendous success that
 rabbis, ministers, teachers and
 lecturers have talked of it to
 their followers and the character
 of George Simon, portrayed by
 Muni, has become one of the out-
 standing figures in dramatic
 literature.

A distinguished cast of thirty
 which has gained favor on Broad-
 way, directed by the author, will
 support Paul Muni and will in-
 clude such favorites as Jennie
 Moscovitz, Regina Wallace, Ann
 Teeman, Dorothy Gray, Conway
 Washburne, Martin Wolfson,
 Jack Leslie, Elmer Brown, Ned
 Glass, Sue Moore, Malka Korn-
 stein, Angela Jacobs, Sam Bon-
 nell, Doris Underwood, John
 Crump, John M. Qualen, T. H.
 Manning, J. Hammond Dalley
 and others.

The play which is in
 three acts and eleven scenes, has
 two elaborate settings designed
 by Raymond Sovey, one of Ameri-
 ca's foremost scenic artists.
 "Counselor-at-Law" combines
 thrilling melodrama with heart-
 throbbing pathos and scintillating
 comedy. It deals with the rise
 of a Jewish lawyer from obscure
 and impoverished background to
 the heights of his profession and
 the social world. When his car-
 eer is threatened because a rival
 unearths an early misdeed, the
 loyal friends of his youth and
 his own astute brilliance help
 him out of his difficulties. The
 manner in which he outwits his
 rivals affords an evening of high-
 ly diverting entertainment.

Mayor Recommends
A City Hall

Continued from page one

Gentlemen:

This meeting tonight might be called the annual meeting of the stockholders of the corporation. In reality, it is the annual meeting of the directors of the largest business in the city to hear the report of the Mayor who is the elected head of the corporation.

This report will deal with the financial status of the city as I found it on January 5, 1932, when I assumed office. It will also review the accomplishments of the city during the year 1932. The closing part of the report will deal with the present year and what we may hope to accomplish. These three features of my report must of necessity be brief because without review of the past, we cannot plan for the future.

Urges Sound Progress

Plans for the future must be carefully considered and reviewed with an eye to sound progress and careful consideration of our limitations and by that I mean the limitations of our taxpayers.

As to the past, the City Auditor's report of December 31, 1932, when I took office, revealed the fact that the city had a general debt of four million two hundred twenty thousand two hundred fifty dollars (\$4,220,250). We also had borrowed and spent the sum of one million one hundred dollars (\$1,100,000) which was borrowed in anticipation of revenue. This anticipated revenue was tax collections of the years 1932 to 1931, inclusive. It developed that only one million twenty-two thousand nine hundred thirty-six dollars (\$1,022,936) could ever be realized on said taxes.

This temporary loan, in the form of notes due February 1st, March 1st, and April 1st, had to be paid or the credit of the city would be impaired. The notes were paid and the credit of the city secured.

In passing, you may recall the desperate straits in which some of the cities found themselves when they were unable to borrow during those hectic days of 1932 because their credit was impaired.

The training in municipal finance which I received as a member of this board made me appreciate the fact that the municipal expenditures for 1932 must be drastically curtailed and every cent expended must pass the test of expediency or necessity. Certain measures were necessary and I know of no expenditure during the year 1932 that did not meet the test.

The 1932 budget which I submitted to your Board in February, totaled \$3,261,135.50.

Kept Within Appropriations

When the various department amounts were arrived at, each department head was notified that he must keep the expenditures within the appropriation. This procedure, as outlined, was followed with the result that for

the first time in recent years the budget as submitted was maintained and all departments carried through the year. No additional appropriations were required for any department for current expenditures after the tax rate was established. I neither recommended nor did your Honorable Board pass any appropriation after August of 1932.

It was a new deal with the taxpayers of Medford not to give a supplementary budget submitted in August to come out of the famous "E and I" account.

New Stations

In my report, I recommended that the city build two new fire stations and the buildings were completed within the appropriation. The people of the Fulton Heights and Wellington-Glenwood districts may now feel that they have at least become a part of the city than merely isolated sections as they previously made to feel they were. I am glad that your Board is pleased, as I am, to give ample fire protection to these sections at a cost of but sixteen cents on the 1932 tax rate and four cents per year for the next eighteen years, for our first new fire stations built since 1895 in this city.

Saving \$1,000 On Lights

In April, a contract was signed for the purchasing of the traffic lights that the city previously had been leasing at an annual cost of practically \$12,000. The purchase of these traffic lights for the price of \$29,640 payable in monthly payments means a saving of at least \$4,000 per year. At the end of five years, the lights will be the property of the City of Medford. Our 1932 budget contained an item of \$22,000 in the account "Highway Department." I advised your Finance Committee at the beginning of the year that this amount would provide for the purchase of eleven trucks, a catch basin cleaner, a grader, and a motor grader. This equipment was purchased and there remains an unexpended balance of \$600 in this account. Proper supervision of this department should result in the elimination of hiring of equipment which in the past has amounted to \$5,000 in one year.

Saved \$90,000 In Labor

The item of labor was reduced by \$90,000 during the past year in the Water & Sewer Department without affecting its efficiency. This money was being spent on the proceeds of bond issues. By this means, it will be necessary to conduct this department without the necessity of borrowing within the debt limit as has been the practice in this department heretofore.

In the final analysis, this means that the Water & Sewer debt payment will be annually reduced and the department operated without a deficit. There remains still further opportunity to operate this department at a maximum of efficiency with a minimum of cost under proper supervision.

Praises School Committee

The School Committee is to be commended for the courtesy and cooperation shown me during the past year. I wish to publicly mention at this time that Superintendent Kadesch by his sincere cooperation and effort and wise management and knowledge of school affairs has made it possible for the School Committee not only to keep within its budget but in the last two months of the year made available for transfer to other departments the sum of \$21,000.

Two new schools were completed during the past year and opened with the beginning of the school year. This is a brief statement but it does not summarize the history of these schools. The schools were started during a previous administration and completed by the bonding companies at a loss to them of approximately fifty thousand dollars (\$50,000). The contractor had gone into bankruptcy and the time spent in protecting the legal rights of the city under these bonds made it possible to affect a saving on the original appropriation.

The elements also seemed to operate against us during the year. Heavy storms proved the inadequacy of our drainage system. The business district has been protected by corrections made in the system in Medford Square. This matter should have been tended to long ago.

Gravelly Creek

I have personally made a survey of conditions with regard to Gravelly Creek. The fact that there is a tide gauge must be a fact or entirely untrue. The fact that the district of the city in which this brook flows has since 1892 when the matter was first discussed publicly. It is my intention to take such steps as will effect a permanent control of the water of Gravelly Creek and in South Medford where the same situation prevails during the storm periods and to which I also gave my personal attention.

The Legislative act abolishing the police reserve force was accepted by your Board in December. Your action in this matter is deserving of praise. It was one of the most humane acts put on our books in recent years. The men affected by this act were not in fact reserve men but were rather working seven days a week without a day off or vacation period.

Welfare Expenses

Welfare expenditures in 1932 amounted to \$115,000. This past year we appropriated \$236,000. Extreme care and careful supervision by Mrs. St. Denis makes it possible for us to say that in this particular phase of municipal affairs in no city in the entire country is the welfare work as ably administered as it is in Medford.

The Soldiers' Relief Department was forced to increase its expenditures from approximately \$12,000 in 1931 to approximately \$66,000 in 1932. This amount has been expended since March, 1932 under the supervision of Captain Robert Magee with credit to himself and to our city.

The Old Age Assistance Act caused an additional expenditure of some \$30,000 over the 1931 amount.

These three items of expenditures, namely Welfare, Soldiers' Relief, and Old Age Pension, are required by the General Laws of the Commonwealth. The laws do not, however, provide ways and means of financing them other than out of taxes. The laws are fundamentally sound and based upon a moral obligation but their success depends upon proper supervision. Otherwise, some who are not entitled to benefits will receive them and others must of necessity suffer by their acts. The lot of the administrator over these funds in Medford has been a hard one. Their decisions based upon facts not within the knowledge of the general public has sometimes caused condemnation when in reality it should have been commendation. We hope that their decisions in the future will be based upon facts as they have been in the past and that the general public which pays the bills will come forward with such facts as will assist them in making their decisions.

The Health Department showed an increase in their account "Contagious Diseases" of \$4,000 over 1931. This amount should show an annual increase and some means must be taken with regard to the responsibility of the family of the one afflicted if we are to keep this item within reasonable bounds.

Traffic Congestion

In Medford Square and at the Parkway on Main Street we erected traffic towers equipped with heat and traffic light controls and communications with Police Headquarters. The cost of these towers was approximately \$500 which was not out of the department expenses. Traffic conditions in the square had become intolerable. We have high hopes that the new system will result in greater service to the pedestrians with a minimum of traffic congestion and the hope that later we may have the opportunity to install a pedestrian bell thereby guaranteeing the walking period of the pedestrian.

Recently, I made a trip to Washington to confer with officials of the Reconstruction Finance Corporation with the idea in mind of obtaining a loan sufficient to re-finance our debt coming due in the next fifteen years in order to equalize the payments. My proposition was well received but after a study of the act which set up this corporation, they advised me that it was not legally possible to loan money to a municipal corporation for this purpose. That my theory of spreading the debt was sound, is born out by the fact that the Federal Government is now considering the proposition of re-financing by spreading or equalizing the Liberty Bond debt over a greater period of years.

Debts and Interests

The payments of debt and interest during the year amounted to \$6,560 on the tax rate of 1932. These payments were for enterprises conducted by the City prior to 1932. The benefit which we of the present derive is in the use of the enterprises for which the money was spent.

The bond issues for which these payments are now being made was used to pay salaries in former years and also made it possible for a lower tax rate in good times when the tax payer had the money to meet his tax bill.

The amount of bonds issued in one year should be based upon a minimum percentage of the budget of the year in which the bonds were issued.

The fact that the city is in a sounder condition financially than it was a year ago is not due to any one individual. It was the cooperation given by officials and employees that brought about this condition and when the measure of credit is given, it should be given accordingly.

It has been a most difficult and trying year. Perhaps the strain was greater than ever before in the history of city, state, and nation. From my observations, during my travels over 9,200 miles in practically all the large cities of this country and Canada, this condition exists universally.

During the past year, this Board has not been in accord with me on all occasions. Sometimes, you were no doubt justified. The other times I felt you were not. It is not human to hope that twenty-two men would be in harmony over a period of one year.

Program for 1933

We are both citizens of this Nation and that in itself sets us apart from other Nations, that our one true right is the right of expression in matters of opinion. Let us hope that we give voice to this opinion only after all the facts have been determined and let our opinion be based on the Golden Rule and not on political expediency. Let us forget those things of the past, the Nation and its political subdivisions are awakened to a new era. Let us remember that we must consider our city first and feelings later or not at all. Present conditions is a condition and only a condition which we cannot regulate or administer along lines laid down to govern us in ordinary times. We must look to the future. Progress must not be denied. Mankind will always go forward. With this thought in mind, I come to the program I wish to outline for 1933.

The old policy is the policy of a new deal economical administration with an eye to the future. My whole thought on the conception of this program is of the city and its future. Yours must be the same. I have given all my time and effort to formulate this program. Its accomplishment at the present time rests with you. Will you cooperate?

Budget Is Final

The 1933 budget as submitted by me tonight should be final with the exception of Welfare and Soldiers' Relief. There should be no further appropriations asked for in 1933 for departmental expenses out of the taxes.

This is the first time in the history of the city that the budget has been submitted at a date as early as this. In other words, with these two exceptions, this is a twelve months budget and is based upon a twelve month expenditure.

Two New Bond Issues

Tonight I am submitting a request for two new bond issues. These will complete the municipal program over which we have control. This program will result in a reduction of \$300,000 less than the same items in 1932. The amount thus reduced will result in a lowering of the tax rate of \$2.80 for 1933 for municipal purposes.

Cut Budget \$409,713

The total amount in the budget as submitted February 16, 1932 was \$3,261,135.50. The amount submitted tonight is \$2,851,422.52. The amount requested by us of \$409,713.83 over the amounts requested by the heads of departments.

Of course, we have no assurance that the State, County, and Metropolitan levy will be reduced. We have no assurance that receipts from income tax and other sources will be greater. This reduction is based solely on municipal expenditures over which we, the executive and legislative branches, have control. Should the state and other bodies over which we have no control adopt the same program of economy, then we can look to the future with assurance that there will be a substantial decrease in the 1933 tax rate. As the legisla-

tive body of the city government, you will, of course, be interested to know how this substantial reduction was brought about.

How Cuts Are Made

1. The abolition of the dental clinic with provision for dental hygiene.
2. The abolition of the telephone switchboard in City Hall.
3. The abolition of the position of Investigating of Old Age Assistance.
4. By adopting a program of one day off per week without pay for all City Hall employees, highway, water and sewer, park, and cemetery departments.
5. By a program of thirty-six days off without pay in the police and fire departments based on a seven day week for fifty-two weeks.
6. By a program of twenty days off without pay for school teachers and twenty-four days for all other school department employees based on a ten month school year and a five day school week.

By the curtailment of expenditures in municipal departments that could be curtailed without affecting the efficiency of the departments.

No Cuts In Forces

The adoption of this plan permits us to base our budget on a sound foundation and does not leave it to guess work. It makes it possible to take the money from the tax levy instead of setting up a separate fund as was necessary under the voluntary contribution plan. This was the only plan in the contribution plan. I am convinced that this present plan is a more equitable one for the taxpayer and employee. The time off is to be administered by the heads of departments and they advise me that the efficiency of their departments will not be impaired. There will be no curtailment of services rendered to the taxpayer under this plan. No employees will be let out with the exception of those in the departments which have been abolished. Of course, the other city employees' needs will be reduced but this fact precludes the necessity of cutting down the payroll and with the return of prosperous times the City employees will again come into his own.

Change in Garbage Collection

Another item that has made possible this reduction is the plan to have the office collected by contract and have the matter administered under the Board of Health. A comparison of the costs of collecting offal in Medford and nearby cities of comparable size shows that we could save probably \$13,000 a year by having this work done under contract instead of doing it ourselves. Investigation has convinced me that \$45,000, the cost of this service last year, and \$45,000, the cost of this service for 1931 is unnecessary and too high and will be reduced to \$30,000 or less, by going for bids. This I propose to do and consequently and providing \$25,000 in my budget for this item.

My recommendation for a bond issue this year to cover street construction is absolutely necessary if real estate values in certain sections are to be maintained.

Ten Year Betterment Plan

This year, I shall put into effect the apportionment of betterment assessments automatically over a period of ten years. Should an abutter wish to pay the full amount, he may do so. In this connection, I feel that your Board should go on record as favoring a plan whereby the abutter will accept no more than twenty-five per cent of the assessed value when his land is taken by eminent domain proceedings and that land is to be used in connection with the construction of the highway. Such an agreement would be signed by the abutters before work commenced.

To Build A City Hall

The other bond issue is based upon a subject that for years has caused Medford to be known as the city without a city hall. In other words, this bond issue together with other amounts now available will be used for the construction of a city hall combined with a police station to be erected on the site known as the Common on Salem street which is owned by the city. This is the same site the people voted for in 1921 in a referendum on the ballot. Neither our present quarters nor police quarters are adequate for our needs and before the end of the year we shall be seeking additional quarters.

Pay \$13,000 Rental

Our rentals amount to \$13,400 per year including veterans' quarters. This amount is four thousand four hundred dollars in excess of the annual payment on the bond issue of \$9,000. At the present time, the city has paid in rent \$107,000 and has nothing to show for the expenditure. At the end the twenty years, with a payment of \$9,000 per year, we would have a building that would reflect credit to the city.

Pay \$13,000 Rental

In closing, gentlemen, let me say this. This program for 1933 depends entirely upon you and nobody else. I have given you the results of my best thought and judgment secured through my services to the city for the past six years and, finally, gentlemen of the Board, let us turn to our work ever mindful of God and Country.

Sincerely,
JOHN H. BURKE, Mayor.

Medford All Stars Drub The Ramblers

South Medford Ramblers were completely outclassed by a new quintet which has entered the basketball world, namely, the Medford All Stars, 62-18, at Community hall.

The new five showed remarkable strength offensively and defensively and indications are they will become one of the leading Junior teams in Medford.

The All Stars are looking for games.

MRS. BLACK ENTERTAINS

Mrs. John Black, of 65 Pine Ridge road, West Medford, entertained the Brooks Estate, Sunshine Sewing club at her home. The usual program of sewing was carried out, and an attractive collation served.

The guests of the afternoon were: Mrs. Harry W. Savage of 9 Oak Ridge road, Mrs. Carl Aldrich, of 30 Pine Ridge road, Mrs. Ella Ritchey of 21 Oak Ridge road, and Mrs. Francis Carr of 45 Oak Ridge road.

The City of Medford. No one will deny that a city hall is necessary. There is no better time to build than now. Labor and material will never be lower. All departments of the city would be under one roof. The skilled laborer as well as the unskilled laborer of our city has been forced to go on public welfare and soldiers' relief because of lack of employment. The men would be employed on this work wherever available, thus making a substantial reduction in our welfare and soldiers' relief accounts and enable others to earn enough to meet their tax bills.

In addition to all this, there is no doubt but that valuations at that immediate locality will be substantially increased, new business will be brought to Medford, and the city will no longer be known as the city of sixty thousand and people without a city hall.

Reduction Must Continue

There is a matter I wish to call to the attention of this board and the general public with regard to valuations. During the year, a small reduction was made in the valuation of certain homes. This course must be pursued each year in order that our financial and credit situation may be stabilized and that the small home owner be not placed in jeopardy by reason of called mortgages because in order to keep within the law banks may have to reduce the amounts loaned and may demand a substantial cash payment to credit the mortgage amount.

The losing of the Medford Trust Company caused a loss to the city of approximately \$200,000. Again, relief measures were necessary. In my inaugural address I outlined the so-called voluntary contribution plan. The idea was new. Its birthplace was Medford and has since been adopted by nearly every city and town in the Commonwealth. It was successful to the end that \$100,000 was realized. This amount is now available and Medford will not face payless paydays as many of the city employees of even neighboring cities have done.

In closing, gentlemen, let me say this. This program for 1933 depends entirely upon you and nobody else. I have given you the results of my best thought and judgment secured through my services to the city for the past six years and, finally, gentlemen of the Board, let us turn to our work ever mindful of God and Country.

Sincerely,
JOHN H. BURKE, Mayor.

High School Hockey Game Is Postponed

The scheduled Medford and Newton hockey game slated for January 2-3 was first called off on Monday and again yesterday due to the lack of ice. Just when this postponement can be played is unknown at this time.

For January 5-6 Coach Al Lang's Medford High sextet is scheduled to face Arlington provided there is ice.

Collegians Want Games In Medford

The Waltham Collegians, who have played some of the strongest teams in this neighborhood, are looking for games with Medford teams. The Collegians opened up the season under the name of the Arlington Baptists but now have taken the name of the Waltham Collegians.

The Waltham five play the home games on Tuesday evenings at the North Junior High gym in that city.

Any Medford basketball team interested in arranging games may contact the Collegians by addressing Charles P. Burgess, 29 School street, Waltham.

NEW YEAR'S SOCIAL

Mr. and Mrs. Prescott R. Parkin, 357 Main street, held a social at their home, New Year's eve. Miss May DeCota and Francis Gill, of Boston, provided vocal and piano entertainment. The Misses Mildred and Hazel Parkin, entertained with vocal numbers. Bridge was enjoyed and a repast served. Among those present were: Miss Margaret Fitzgerald of Medford, Frederick McDermott of Medford, Reginald Dunbar of Medford, Aubrey McNally of Medford, Mr. and Mrs. Prescott R. Parkin, Miss May DeCota of Boston, Francis Gill of Boston, the Misses Mildred and Hazel Parkin and Warren Fitzpatrick of Medford.

NEW YEAR'S PARTY

Mr. and Mrs. Peterson of 54 Quincy street, Medford Hillside, entertained a number of friends at their home. New Year's eve. Each guest will be given a print of a group photograph taken of the entire assemblage.

Piano selections were rendered by Samuel Laurie Jr., of Arlington, Samuel Laurie, Sr., entertained with violin numbers, and Miss Frances McCarthy of Medford, favored with banjo selections, with vocal accompaniment. A buffet luncheon was served. Among those present were: Mr. and Mrs. Samuel Laurie, Sr. of Arlington, Mr. and Mrs. Peter Peterson, Samuel Laurie Jr., Miss Anna Laurie, Charles Laurie, Miss Shirley St. John of Medford, Roy Peterson of Medford, Miss Ruth Slack of Somerville, Leonard and Annette Peterson of Medford, Miss Frances McCarthy of Medford, Mr. and Mrs. James Shean of Cambridge, Freeman Neil of Medford, Miss Alice McGilvray of Dorchester, Herbert Watkins of Medford and Miss Charlotte Phillips of Somerville.

Harvard A. C. Will Play East End Union Five

The Harvard A. C. will play its opening basketball game of the season on January 6, when they meet the strong East End Union Cubs of Cambridge at the East End Union gym. Capt. James J. Cullen one of the most promising young centers around will lead a strong quintet on the floor.

Both teams are in perfect condition and the game promises to be one of the outstanding games of the new season. The East End Union has as captain Edwin Byington who plays a good game at forward.

The lineups will be as follows: Medford—D. Politt, rf; W. Norton, lf; J. Cullen, c; P. Martin, rk; C. Cruso, lg; Subs, F. Martin, E. Vechieu, Joe Cruso.

East End Union—E. Byington, rf; Menez, lf; M. Menez, c; D. Venezia, rk; J. Andrews, lg; Subs, J. Matursevitich, C. Regal, T. Regal, V. Kos, R. Kos, F. Friedzie.

Gets Suspended Term For Borrowing Auto

Russell G. McVey, Medford, who "borrowed" an auto without authority, police allege, and who was taken into custody in Arlington, was given a suspended term of one month, with probation for a year in District court yesterday by Judge Elbridge G. Davis.

Chas. H. Dunn, 30 West street, Everett, drunk, fined \$5; breaking a pane of glass, continued to Mar. 8th with orders of restitution of \$7.50.

John H. Gardner, 189 Bradford street, Everett, drunk, on file. On a charge of assaulting his wife Hazel he pleaded not guilty, was adjudged guilty and given 30 days in the house of correction.

Richard B. Johnson, Melrose, drunk in Malden, state farm.

Joseph McGuinness, who on Saturday was given a suspended term for drunk by Judge Flynn, was in again and the case was filed and he was sent to the state farm by revocation of a previous suspended sentence. He was the last man arrested in Malden in 1932 and the first in 1933.

Miss Priscilla Kelley of 44 Terrace road and Miss Bertha McLean of Adams street have returned from Quebec where they were members of the Dr. Charles Tozier party from Winchester over the holidays. They stopped at the Chateau Frontenac. The party went by special train.

Gentlemen: Attached hereto you will find the annual budget for the year 1933 which is referred to in my annual message. This is a twelve months budget and all department heads will have to live within the amounts appropriated in this budget for their respective departments, and they are so informed publicly here at this time. There will absolutely be no supplementary budget for the year 1933.

In order that the benefits may be derived from this budget it will be necessary that it be passed prior to February 1st. I therefore sincerely solicit your immediate consideration of this budget and pledge you now any amount of time that your Honorable Board may desire of me in its consideration.

Sincerely,
(signed) JOHN H. BURKE, Mayor.

Former Medford Music Supervisor Celebrates Golden Wedding Day

Mr. and Mrs. Charles E. Boyd observed the 50th anniversary of their marriage at their home, 480 Belmont street, Watertown, Sunday.

They were wed in the old Cambridge Baptist church. Mrs. Boyd for many years was a teacher of the piano, having been a pupil of several of Boston's most prominent teachers. Mr. Boyd has always been interested in vocal music, preferring school chorus and choir work. He has been director in many churches, being with Tremont Temple for 17 years. For 41 years he was supervisor in the schools of Waltham and at various times in the schools of Medford, Belmont, Weston and Fitchburg.

The family is an unusual one, each of the children being interested in music. Walter L. Boyd, the eldest son, was tenor soloist at St. Paul's Cathedral during the time of Prof. Warren Locke. Charles E. Boyd, Jr., was a tenor soloist at the Arlington Street Unitarian church and now has the same position with the new Old South church, Robert B. Boyd was tenor soloist at the Mt. Vernon Congregational church, leaving it to become soloist at the First Unitarian church in Beverly. William S. Boyd has interested himself in construction rather than music. A daughter, Mrs. Burt C. Johnson of Buffalo, N. Y., and Redlands, Cal., has frequently been the soprano at the First church of Redlands.

SOCIAL GATHERING

Miss Catherine Forrest of 3 Haines street was hostess at a New Year's party held at her home. Dancing and games were enjoyed. Piano selections were rendered by William Forrest, while several popular songs were rendered by Donald Griffin.

Those in attendance were: Miss Catherine Forrest, Miss Mary Forrest, Miss Helen Brodeur, Ray, brood, Mrs. Helen May Lowther, William Forrest, Miss Doris Coleman, Donald Griffin, Miss Theresa Forrest, James Lowther, Henry Richards of Newton and Francis Forrest.

FRANK LAUNIE, HOST

Frank Launie, 37 Cross street, entertained friends at a New Year's party, held at his home. Musical entertainment was furnished by guests and the host rendered several vocal selections. An Italian feast was served. Those present were: Jerry LaPini of Danvers, Terry Mitchell of South Boston, the Misses Rose and Mary Molloy of South Boston, Miss Victoria Bruno of South Boston, Peter, Louis and Anthony Vincent of Dorchester, the Misses Rose and Mary Urvell of Boston, Miss Launie, Miss Mary Cotter, Darb Launie, Frank Launie, Miss Mary Trocki, James Niles, Miss Mary Sheehan of Cambridge, Benjamin Forcillo, Leo Leone, Fred Macoldi, Nicholas Farrova, Frank Mauge, Carolyn Forcillo and Sally DeFranko.

A. C. ADMITS MEMBERS

Lee Scallilli, 28 Kilbuck road, held a meeting of the Sporan A. C. football committee at his home. Club business was discussed and eight new members were admitted by vote. They are: Joseph Landers, Carl Breton, Donald Carter and Fred Porter of Medford, also George Sanderson, William Lewis, William Blanchard and Paul Cote of Somerville. Refreshments were served. Those present were: Fred Bule, Lee Scallilli, Frank Frangilli, Robert Greene, Arthur Ciccolo and Fred Babbitt.

WILLIAM POWERS, HOST

William Powers entertained friends at his home, 73 Orchard street, last night. Silvio Destefano and Richard Thorne entertained with the band and Miss Catherine Powers rendered piano selections. Refreshments were served. Among those present were: Miss Dorothy Martell, James Powers, Miss Catherine Powers, Miss Sylvia Thompson, Miss Margaret Leonard, Miss Eileen McGoldrick, William Aschillo, Silvio Destefano, Richard Thorne, James Campbell, Miss Muriel Sullivan of Malden, Miss John Miller of Malden, Miss Ruth Preble of Malden, Clarence McLaughlin and Walter McLaughlin.

HOSTESS TO FRIENDS

Mrs. Leta Chandler, of 21 Mill street, Arlington, formerly of Medford, gave a formal New Year's dancing party to 23 couples at the Ye Lantern, in Arlington, Saturday evening.

The hall was elaborately decorated in keeping with the holiday season. Several dance novelties including "A Lemon Dance," "A Hotdog Dance" and Elimination and Spot dances, were enjoyed by the guests. Prizes were awarded.

At the conclusion the guests had
